

NEXUS GENERAL INSURANCE LIMITED

TWO-WHEELER MOTORCYCLE BUNDLED POLICY

Long-Term Bundled Policy Wordings

Regulatory Details: Registered Office: Sector 2, HSR Layout, Bengaluru, Karnataka, 560102

IRDAI Registration Number: 157 • UIN: NX-MTR-BIK-2026-V05

Bundled Infrastructure: 1 Year Own Damage with 5 Years Continuous Third Party Liability protection framework.

PART I: INTRODUCTION & BASIS OF CONTRACT

This long-term policy document constitutes a binding insurance agreement between Nexus General Insurance Limited (the Company) and the individual owning the motorcycle detailed in the Schedule. The contract incorporates the proposal and declaration as the absolute legal basis for risk underwriting.

PART II: TECHNICAL CLASSIFICATION GRID

Bundled Risk Assessment: Reflects dual-tiered coverage tracking where Third Party obligations run for an extended continuous multi-year span, while Own Damage aspects require annualized cycle resets.

SECTION I: LOSS OF OR DAMAGE TO THE VEHICLE INSURED

Indemnifies the motorcycle owner against structural damage, total loss, or fire destruction occurring from road collision, direct lightning strike, or local civil disturbance.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

SECTION II: LIABILITY TO THIRD PARTIES (EXTENDED 5-YEAR TERM)

Provides long-term security against civil lawsuits regarding public body injuries, fatal trauma, and third-party property assets within national boundaries.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

SECTION III: MANDATORY PERSONAL ACCIDENT INSURANCE COVER

Provides compulsory insurance for accidental fatalities or loss of limbs directly occurring during operation of the insured two-wheeler vehicle.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

SUBSECTION IA: FIRE AND EXPLOSIVE DAMAGE INCLUSIONS

Details claims processing protocols if the engine bay or body panels catch fire due to self-ignition or electrical failure mechanics.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

SUBSECTION IB: BURGLARY, HOUSEBREAKING OR THEFT INDEMNITY

Governs the legal claim sequence, police non-traceable certificate validation requirements, and subrogation assignment terms for stolen motorcycles.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

SUBSECTION IC: NATURAL DISASTERS - FLOOD, TEMPEST AND CYCLONE

Covers structural engine overhauls and replacement body elements if the motorcycle is submerged or damaged by severe weather storms.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

SUBSECTION ID: TRANSIT DAMAGE PROTECTIONS

Extends active coverage while the covered two-wheeler is in transit via railways, registered road haulers, inland waterways, or commercial elevators.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

STANDARD DEDUCTIBLE & FRANCHISE GUIDELINES

Applies uniform policy excess thresholds that must be borne self by the insured before the corporate payout matrix triggers settlement lines.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

GENERAL EXCEPTIONS - UNLICENSED DRIVING BARRIERS

Explicitly invalidates structural liability if the vehicle is driven by an individual not possessing a valid operational endorsement for motorcycles.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

GENERAL CONDITIONS - POLICY CANCELLATION RULES

Outlines short-period rate tables and mandatory criteria for insurance termination, including proof of alternative valid third-party coverage.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

NO CLAIMS BONUS (NCB) TIERED ACCUMULATION TABLE

Defines the exact compounding discount grid running from 20% up to a maximum cap of 50% for consecutive clean driving claim-free years.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

OPTIONAL ADD-ON: ZERO DEPRECIATION SHIELD

Removes default age-related value write-offs on composite fairings, plastic cowlings, and rubber lines during accident damage repair calculations.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

OPTIONAL ADD-ON: ENGINE PROTECTION RIDER

Covers internal mechanical breakdown and gear assemblies damaged from lubricating oil loss during ground impacts or minor submersions.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

OPTIONAL ADD-ON: ROADSIDE EMERGENCY ASSIST LAYOUT

Coordinates on-the-spot flat-tyre assistance, local towing hookups, and fuel deliveries across verified national transport networks.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

OPTIONAL ADD-ON: PILLION RIDER PERSONAL ACCIDENT COVER

Extends optional companion coverage benefits matching owner-driver limits to any legal passenger riding on the motorcycle seat array.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

PROCEDURAL PROTOCOL: IMMEDIATE ACCIDENT CLAIMS FILING

Outlines step-by-step instructions for notifying claims to the central support desk within a strict 24-hour bracket following an incident.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

PROCEDURAL PROTOCOL: SURVEY & AUTHORIZED INSPECTION NETWORKS

Demands physical inspection by an accredited company engineer prior to structural repair teardowns at non-network workshop garages.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation

GRIEVANCE REDRESSAL AND OMBUDSMAN CENTER CODES

Includes a complete index of regional ombudsman addresses, operational emails, and contact hotlines for resolving policyholder contract disputes.

Motorcycle Structural Depreciation Matrix

Age of Motorcycle Asset	Nylon, Plastic, Rubber, Tyres	Fibre Glass elements	Iron and Steel components
Not exceeding 6 months	50% Depreciation	30% Depreciation	0% Depreciation
Exceeding 3 years but not 4 years	50% Depreciation	50% Depreciation	25% Depreciation
